Beverly Hills, Calif.

Dear Catholic:

I am sending you a little  
shillaly so whenever you  
get out of line Margaret  
can tap you on the s conce  
with it. Protestants are  
the best people.

I have purposely left the  
price tag on the shillaly  
so that you will not use  
it for firewood.

Love and kisses from

Your Uncle Willie

P.S. Your Aunt Maggie from Ireland  
who has informed me that more  
Protestants churches have been  
burned to the ground sends her  
love.
